Introduction and Purpose

These Official Rules (“**Rules**”) of the 2016 International Wild Card Qualifier (“**IWCQ**”) apply to each of the teams, who have qualified to play in the IWCQ in 2016, as well as their managers, coaches, players, and other employees. The IWCQ will consist of the top team from each of the eight regions known as “Wild Card”: Brazil, Commonwealth of Independent States (CIS), Japan, Latin America North, Latin America South, Oceania, Southeast Asia and Turkey. These Rules apply only to the 2016 International Wild Card Qualifier not to other competitions, tournaments or organized play of League of Legends (“**LoL**” or the “**game**”). The teams in the International Wild Card Qualifier are subject to all the rules set forth.

League of Legends Championship Series LLC, a Delaware limited liability company, has established these Rules for the competitive play of LoL in order to unify and standardize the rules used in the IWCQ.

These Rules are designed solely to ensure the integrity of the system established by the IWCQ for professional play of LoL and a competitive balance among the teams that play at the professional level. Standardized rules benefit all parties who are involved in the professional play of LoL, including the teams, players and general managers.

These Rules do not restrict competition for players. The terms of engagement between players and teams are left to each of the teams and its players.

1. Team Member Eligibility

To be eligible to compete in the IWCQ, each player must satisfy the following conditions:

1.1 Player Age

No player shall be considered eligible to participate in the IWCQ before his or her 17th birthday, defined as having lived 17 full years.

1.2 Regional Residency Requirement

Each player must meet the regional resident requirement for the region they are representing at the IWCQ.

1.3 No Riot Employees

Owners, managers, coaches, Starters, and Reserve players (“**Team Members**”) may not be employees of Riot Games Inc. (“**RGI**”) or League of Legends eSports Federation LLC or any of their respective affiliates at the start of or at any point during the IWCQ. “**Affiliate**” is defined as any person or other entity which own or controls, is under the ownership or control of, or is under common ownership or control with, an Owner. “**Control**” shall mean the power, through any means, to determine the policies or management of an entity, whether through the power to elect, appoint or approve, directly or indirectly, the directors, officers, managers or trustees of such entity or otherwise.

2. Roster Rules

2.1 Roster Requirements

Each team is required to maintain, at all times during the IWCQ, five players in the starting lineup (“**Starters**”), one substitute player (“**Reserve**”), and a head coach (collectively, the “**Active Roster**”).

The Active Roster is considered locked as of August 21st, 2016, at 11:59am PT. The Active Roster that was submitted to or known by IWCQ officials on this date will be considered the eligible Active Roster for the IWCQ. This roster lock will not supersede regional roster locks that may have occurred prior to this date. In the absence of a regional roster lock, teams will not be able to add any new players to their roster after their last regional competition preceding the IWCQ.

In the case of an emergency, a team may add a substitute after this deadline, however, the substitute added must not have been on any other professional roster on August 21st and must have been eligible to be on a professional roster on August 21st. All Starters must have a written contract with the team they are playing for.

2.2 Roster Submission

Requests to modify a starting lineup for the team's first match on the first day may not be submitted any later than August 22nd, 2016, at 10:00pm local time. Requests must be made by the designated coach. Requests to modify a starting lineup for a team's first match on any other day of that stage must be submitted no later than an hour after the conclusion of the broadcast unless it is the completion of the Round Robin.

For stage 2, the Qualifiers, teams must submit their roster for the first match no later than September 1st, 2016, at 10:00pm local time. At the same time they must submit their side selection for the first game.

The Submission must also include all personal information requested about the Team and Team Members by the IWCQ officials. This shall include the Team Members' In-Game Name (along with desired spelling and capitalization thereof).

2.3 Coach

Each team will be required to have a designated coach. The coach cannot be a starting player, substitute player, active player on a challenger series team, and/or manager for a professional team or a challenger team. If the regional league does not require mandatory coaches, then the coach is allowed to be the manager as well. The coach can only represent one organization. The coach will be required to be on-site for every game that the team participates in. If the coach is unable to make a game due to an emergency, the manager must assign an interim coach to be on-site instead. If a coach is not present on-site, then the team is subject to penalties.

2.4 Single-Day Substitutions

If a team wishes to substitute players after the team's first match on a given day, those substitutions must be declared to the head referee before the start of the next game, as defined as the start of the pick/ban process. To be clear, the next

scheduled game means the next game scheduled to be broadcast, not the next game scheduled for the team wishing to make the change.

A team may substitute a player within a match. The team must notify an IWCQ official and have the substitution approved immediately following the previous game, no later than 4 minutes after the explosion of the nexus. For example, if a team wishes to substitute a player in for game 2, then the coach must notify an IWCQ official no later than 4 minutes following game 1.

2.5 Team Names, Team Tags and Player Names

Teams will be permitted a tag of 2-3 characters to be added to the front of each player's Summoner Name on the tournament realm. These tags must be upper-case letters or numbers 0-9 only.

Summoner Names may include upper-case letters, lower-case letters, numbers 0-9, underscores, or single spaces between words only. Summoner Names must not exceed 12 characters including spaces. No additional special characters will be allowed for team names, Summoner Names, or tags. A team is allowed only one brand in their Summoner Name. Summoner Names and Team Names may not contain: vulgarities or obscenities; LoL champion derivatives or other similar character names; or derivatives of products or services that may create confusion.

All Team Tags, Team Names, and Summoner Names must be approved by IWCQ officials in advance of use in play. Name changes are not allowed except under certain extenuating circumstances, but must be approved by IWCQ officials prior to use in an IWCQ game.

3. Player Equipment

3.1 IWCQ-Provided Equipment

IWCQ officials will provide, and IWCQ players will exclusively use, equipment in the following categories to IWCQ players for all official IWCQ matches:

- 3.1.1** PC & Monitor
- 3.1.2** Headsets and/or Earbuds and/or Microphones
- 3.1.3** Table and Chair

At the request of an IWCQ player, IWCQ officials will provide the following categories of equipment for use in all official IWCQ matches:

- 3.1.4** PC Keyboards
- 3.1.5** PC Mice
- 3.1.6** Mousepads

All IWCQ-provided equipment shall be chosen, selected, and determined at the sole discretion of the IWCQ officials.

3.2 Player-Owned or Team-Owned Equipment

Players are allowed to bring equipment in the following categories, which are owned by themselves or their teams, into the match area and use such equipment during official IWCQ matches:

- 3.2.1** PC Keyboards
- 3.2.2** PC Mice and cord holders
- 3.2.3** PC Mousepads

In the match area, players may not bring, use, or wear any headsets, earbuds and/or microphones, other than those provided by the IWCQ.

All player-owned or team-owned equipment must be submitted to the IWCQ officials in advance for approval. Unapproved equipment or equipment that is suspected by the IWCQ officials of providing an unfair competitive advantage will not be permitted for use. If the Player's equipment is designated as unapproved, then the Player will be required to use IWCQ-provided equipment instead.

At their discretion, IWCQ officials may disallow the use of any individual piece of equipment for reasons relating to tournament security, safety, or operational efficiency or effectiveness.

No player-owned or team-owned hardware or equipment may be brought into the Match Area if it features or displays any name, likeness or logo of a company or brand which is a competitor of Riot Games or LoL.

3.3 Replacement of Equipment

If equipment or technical problems are suspected by IWCQ officials at any time, a player or IWCQ official may request a technical review of the situation. An IWCQ technician will diagnose and troubleshoot problems, as needed. Technicians may request that the IWCQ officials order replacement of any equipment, at their discretion. Decisions regarding the replacement of any equipment are solely at the discretion of the IWCQ officials. If a player wishes to use personal replacement equipment, the player must use equipment which has been preapproved by IWCQ officials otherwise they will be provided replacement equipment by the IWCQ officials.

3.4 Player and Coach Apparel

Players must wear official team uniforms during all IWCQ matches and pre-match and post-match interviews by the IWCQ. If no team requirement exists, players must wear pants and closed-toe shoes, as well as visible team-branded apparel, on their upper body, during the entirety of any IWCQ event or appearance. All starting players must wear matching apparel during the game. The matching apparel includes shirts, jerseys, jackets, and pants. For the avoidance of doubt, sweatpants, athletic pants, and/or pajama pants will not be considered appropriate attire unless preapproved first by IWCQ officials. Jerseys and all other apparel worn during such times are subject to the restrictions set forth in Section 9 below, and are subject to the review and discretion of IWCQ officials. IWCQ officials will have final approval over all apparel.

Coaches must wear appropriate attire while at the event. The attire will need to be approved by IWCQ officials. Appropriate attire does not include: athletic wear, sneakers, team branded apparel (like jerseys), etc.

3.5 Computer Programs & Usage

Players are prohibited from installing their own programs and must use only the programs provided by the IWCQ.

3.5.1 Voice Chat.

Voice chat will be provided only via the native system used in the IWCQ-provided headsets. Use of third-party voice chat software (e.g., Skype) is not permitted. IWCQ officials may monitor a team's audio at the discretion of the IWCQ.

3.5.2 Social Media and Communication.

It is prohibited to use the IWCQ computers to view or post on any social media or communication sites. This includes, but is not limited to, Facebook, Twitter, online forums/message boards and email.

3.5.3 Non-Essential Equipment.

It is prohibited to connect non-essential equipment, such as cell phones, flash drives or MP3 players, to the IWCQ computers, for any reason.

3.6 Client Accounts

Players will have Tournament Realm logins provided for them by the IWCQ. It is the players' responsibility to configure their account to their preferences. The account's Summoner Name must be set only to the player's official tournament handle, as approved by the IWCQ officials.

3.7 Audio Controls

Players will be required to maintain volume levels above minimum settings, which will be clearly marked on the controls. IWCQ officials may require players to adjust their volume levels higher if the officials determine, at their sole discretion, that volume levels are too low.

Headphones must be placed directly on a player's ears, and must remain there for the duration of the game. Players are not permitted to obstruct the placement of headphones by any method or place any item, including hats, scarves or other articles of clothing, between the headphones and the player's ears.

3.8 Equipment Tampering

4. Players may not touch or handle another teammate's owned or provided equipment after a match has started. Players who require assistance with their equipment should ask assistance from an IWCQ official.

Venue and Competition Area Layout

4.1 General Venue Access

Access for IWCQ teams to the restricted areas of venues for official IWCQ matches is restricted to approved Team Members only, unless otherwise approved, in advance, by IWCQ officials. Permission to attend IWCQ matches is solely at the discretion of the IWCQ.

4.2 Match Area

The "match area" is comprised of the area immediately surrounding any competition PCs used during match play. During match play, presence of Team Members in the match area is restricted solely to the Starters of the teams in play.

4.2.1 Team Managers.

Managers may be in the match area during the match prep process, but must leave prior to the pick/ban phase and may not return until after the end of the match.

4.2.2 Wireless Devices.

Wireless devices, including mobile phones and tablets, are not allowed in the match area while the players are involved in active play, including during pick/ban phase, pauses, remakes, and between games of multi-game matches. IWCQ officials will collect such devices from players in the match area and return them after the end of the match.

4.2.3 Food and Drink Restrictions.

No food is allowed in the match areas. Drinks are permitted in the match area only in Riot-provided re-sealable containers. IWCQ officials will provide such containers to players upon request.

4.3 Warm-up Area

The warm-up area (which also may be referred to as a "Green Room") will contain PCs designated by the IWCQ specifically for players to practice on before their official matches begin. The warm-up area is reserved for Team Members only and access will be provided by IWCQ officials at their discretion.

4.4 Other Team Member Areas

Other Team Member Areas are areas within the venue, as defined by IWCQ officials from time to time, designed to allow players to relax and socialize in locations separate from the match area. Access to these areas is limited to Team Members, unless specific permission is otherwise granted by IWCQ officials.

5. Tournament Structure

5.1 Definition of Terms

5.1.1 Game. An instance of competition on the Summoner's Rift map that is played until a winner is determined by one of the following methods, whichever occurs first: (a) completion of the final objective (destruction of a nexus), (b) Team Surrender, (c) Team Forfeit, or (d) Awarded Game Victory (See Section 7.5).

5.1.2 Match. A set of games that is played until one team wins a majority of the total games (e.g., winning two games out of three ("best of three"); winning three games out of five ("best of five")). The winning team will either receive a win tally in a league format or advance to the next round in a tournament format.

5.2 Schedule

5.2.1 Group Stage (August 24th – August 29th)

5.2.2 Qualifying Matches (September 3rd and 4th)

5.3 Phase Details

5.3.1 Group Stage. The first round of the IWCQ will be a round robin. Each of the eight qualified teams will play every other team once. Side selection for each matchup will be randomly pre-determined. Each team will play 3 or 4 games on blue side and 3 or 4 games on red side before tiebreakers.

5.3.2 Tiebreaker. If two teams are tied after the Group Stage, head to head record will be used as the tiebreaker. If three or more teams are tied, the head-to-head record of all teams against all other teams involved in the tiebreaker will be considered. If a single team owns a winning record against all other teams in the tiebreaker, they are automatically granted the highest seed available in the tiebreaker (therefore winning the tiebreaker), and a new tiebreaker is declared amongst the remaining teams (i.e. head-to-head record between the remaining teams).

5.3.2.1 Three-way tie: The three teams will be drawn into seeds based on the cumulative times of all the victories for the teams. The number 1 seed will be given to the team that won their games the quickest while the remaining two seeds will play. The loser of the match up will be considered the lowest spot. The winner of the match up will play the remaining team for seeding or advancement.

5.3.2.2 Four-way tie: The teams will be drawn into a single elimination bracket based on the cumulative times of all the victories for the individual teams. Teams play Bo1 matches throughout the bracket. The seeds will be given in order to the teams that won their games the quickest. The four teams will be split into two first-round matches; the #1 seed will face the #4 seed, while the #2 seed will face the #3 seed.

5.3.2.2.1 If the Four-way tie is for 1st place, then the bracket will be played as follows: The winners of the first round matches will face off in Game 3, and the winner will be declared the 1st seed for the Second Round. The losers of the first round bracket games will be assigned the 3rd and 4th place seeds in the Second Round based on their cumulative time of victories in the group stage (excluding the tiebreaker).

5.3.2.2.2 If the Four-way tie is for 2nd place, then the bracket will be played as follows: The winners of the first round

matches will meet in the Second Round as the 2nd and 3rd seed. A coin flip will be used to determine which team has side selection for that Second Round match. The losers of the first round bracket games will face in Game 3. The winner of Game 3 will be the 4th seed into the Second Round. The loser of Game 3 will be eliminated from the tournament.

5.3.2.2.3 If the Four-way tie is for 3rd place, then the bracket will be played as follows: The winners of the first round matches will face in Game 3. The winner of Game 3 will be considered the #3 seed in the Second Round. The loser of Game 3 will be considered the #4 seed in the Second Round. The losers of the first round bracket games will be eliminated from the tournament.

5.3.2.3 Five-way tie: The five teams will be drawn into seeds based on the cumulative times of all the victories for the individual teams. Teams play Bo1 matches throughout the bracket. The seeds will be given in order to the teams that won their games the quickest.

5.3.2.3.1 If the Five-way tie is for 1st place, then the bracket will be played as follows: The lowest two seeds based on time will face each other in Game 1. The loser will be eliminated from the tournament. The #2 and #3 seed will play in the second game, with the higher seed receiving side selection. The #1 seed based on time will face the winner of Game 1 in the third game. The winner of Game 2 will play the loser of Game 3 in the Second Round. The winner of Game 3 will play the loser of Game 2 in the Second Round.

5.3.2.3.2 If the Five-way tie is for 2nd place, then the bracket will be played as follows: The team that receives the highest seed based on time will be advanced as the #2 overall seed in the Second Round. Then a four-way tie for 3rd place bracket will begin with the remaining four seeds.

5.3.2.4 Six-way tie: The six teams will be drawn into seeds based on the cumulative times of all the victories for the individual teams. The highest seed and second highest seed based on time will advance to the Second Round. The remaining four seeds will play in a four-way tie bracket. The winners of the first round matches will face in Game 3. The winner of Game 3 will be considered the #3 seed in

the Second Round. The loser of Game 3 will be considered the #4 seed in the Second Round. The losers of the first round bracket games will be eliminated from the tournament

Side selection for all tiebreaker games will be determined by cumulative times of all the victories for the individual teams, even in a two-way tiebreaker. The superior seed will be given the selection.

5.3.3 Second Round. Second round of the tournament will consist of two best-of-five matches. Seeding will be determined by team records from the Group Stage. The team securing the #1 seed from the group stages will play the #4 seed. The team securing the #2 seed will play the #3 seed. The winners of each Bo5 will both be declared tournament champions and a spot at League of Legends 2016 World Championship will be granted for each.

6. Match Process

6.1 Changes to Schedule

IWCQ officials may, at their sole discretion, re-order the schedule of matches within a given day and/or change the date of an IWCQ match to a different date or otherwise modify the schedule of matches. In the event that the IWCQ modifies a match schedule, the IWCQ will notify all teams at the earliest convenience.

6.2 Arrival at Studio

Members of a team's Active Roster who are participating in an IWCQ event must arrive at the studio no later than the time specified by IWCQ officials.

6.3 Role of Referees

6.3.1 Responsibilities. Referees are IWCQ officials who are responsible for making judgments on every match-related issue, question and situation which occurs before, during, and immediately following match play. Their oversight includes, but is not limited to:

6.3.1.1 Checking the team's lineup before a match.

6.3.1.2 Checking and monitoring player peripherals and match areas.

6.3.1.3 Announcing the beginning of the match.

6.3.1.4 Ordering pause/resume during play.

6.3.1.5 Issuing penalties in response to Rule violations during the match.

6.3.1.6 Confirming the end of the match and its results.

6.3.2 Referee Comportment. At all times, referees shall conduct themselves in a professional manner, and shall issue rulings in an impartial manner. No passion or prejudice will be shown towards any player, team, team manager, owner, or other individual.

6.3.3 Finality of Judgment. If a referee makes an incorrect judgment, the judgment cannot be reversed during the match, as the decision of the referee is absolute. However, IWCQ officials at their discretion may evaluate the decision after the completion of the match to determine if the proper procedure was implemented to allow for a fair decision. If the proper procedure was not followed, IWCQ officials reserve the right to potentially invalidate the referee's decision. IWCQ officials will always maintain final say in all decisions set forth throughout the IWCQ.

6.3.4 Gambling Prohibition. All rules prohibiting gambling on LoL, as found below in Section 8, shall apply to referees without limitation.

6.4 Competitive Patch

The IWCQ will be played on the 6.16 patch. Changes to the competitive patch will be at the discretion of the IWCQ.

Champions who have not been available on the live service for more than one week will be automatically restricted. Champions that have undergone reworks will be subject to the IWCQ officials' discretion. A list of restricted champions will be provided to the team before the event.

6.5 Pre-Match Setup

6.5.1 Setup Time. Players will have designated blocks of time prior to their match time to ensure they are fully prepared. IWCQ officials will inform players and teams of their scheduled setup time and duration as part of their match schedule. IWCQ officials may change the schedule at any time. Setup time is considered to have begun once players enter the Match Area, at which point they are not allowed to leave without permission of the on-site IWCQ official or referee and accompaniment by another IWCQ official. Setup is comprised of the following:

6.5.1.1 Ensuring the quality of all IWCQ-provided equipment.

6.5.1.2 Connecting and calibrating peripherals.

6.5.1.3 Ensuring proper function of voice chat system.

6.5.1.4 Setting up rune and mastery pages.

6.5.1.5 Adjusting in-game settings.

6.5.1.6 Limited in-game warm-up.

6.5.2 Seating Order. Players must sit in the order in which they will join the lobby: Top, Jungle, Mid, ADC, Support. This order should be considered from the vantage point of a viewer standing in front of the players, and read from left-to-right.

6.5.3 Technical Failure of Equipment. If a player encounters any equipment problems during any phase of the setup process, player must alert and notify an IWCQ official immediately.

6.5.4 Technical Support. IWCQ officials will be available to assist with the setup process and troubleshoot any problems encountered during the pre-match setup period.

- 6.5.5 Timeliness of Match Start.** It is expected that players will resolve any issues with the setup process within the allotted time and that match will begin at the scheduled time. Delays due to setup problems may be permitted, at the sole discretion of IWCQ officials. Penalties for tardiness may be assessed at the discretion of the IWCQ officials.
- 6.5.6 Acknowledgement of Pre-Match Testing.** No fewer than ten minutes before the match is scheduled to begin, an IWCQ official will confirm with each player that their setup is complete.
- 6.5.7 Player Ready State.** Once all ten players in a match have confirmed completion of setup, players may not alter their rune pages or enter a warm-up game.
- 6.5.8 Game Lobby Creation.** IWCQ officials will decide how the official game lobby will be created. Players will be directed by IWCQ officials to join a game lobby as soon as testing has been completed, in the following order of positions: Top, Jungle, Mid, ADC, Support.

6.6 Game Setup

- 6.6.1 Start of Pick / Ban Process.** Once all ten players have reported to the official game lobby, an IWCQ official will request confirmation that both teams are ready for the pick/ban phase (as defined and described below). Once both teams confirm readiness, an IWCQ official will instruct the room owner to start the game.

The coach will be granted on-stage access and will be allowed to communicate with the team during the Pick/Ban Process. The coach will exit the stage to a designated position once the countdown timer has reached 5 seconds during the Trading-Phase.

- 6.6.2 Recording of Pick / Ban Process.** Picks/bans will proceed through the client's Tournament Draft feature. If picks/bans are completed substantially in advance of game setup, at the instruction and discretion of IWCQ officials, the IWCQ officials will record the official picks/bans and manually abort the game start.

6.7 Pick / Ban Phase & Side Selection

6.7.1 Tournament Draft. IWCQ officials may choose to employ either the Tournament Draft mode feature or a manual draft (e.g., draft that is conducted in chat without the use of an in-game feature). Starters for

each team cannot be substituted after the start of the draft. Players may play any Champion which their team has drafted, but must confirm their selection with an IWCQ official.

6.7.2 Restrictions on Gameplay Elements. Restrictions may be added at any time before or during a match, if there are known bugs with any items, Champions, skins, runes, masteries, or Summoner spells, or for any other reason as determined at the discretion of the IWCQ.

6.7.3 Side Selection. Teams' sides will be randomized during the Group Stage. In the second and final round, the higher seed will have side selection for all odd games. The lower seed will have side selection for all even games. For example, the higher seed may choose to play game 1 on blue side, but game 3 and 5 on red side and the lower seed may choose to play game 2 on red side and game 4 on blue side.

The higher seed will be required to submit their decision for game 1 by 10:00pm local time two days prior to the stage start (September 1st). If no decision is submitted the team will default to blue side for its game.

Side declaration for best of matches will be decided between games after game 1. Teams with side choice for the respective game (lower seed for game 2 and 4, higher seed for game 3 and 5), will have 4 minutes after the nexus explodes to select their side for the next game. This will be at the same time as the substitution declaration. The coach will inform the head referee about their selection.

6.7.4 Draft Mode. Draft mode proceeds in a snake draft format as follows:
Blue Team = A; Red Team = B
Bans: ABABAB
Picks: ABBAABBAAB

6.7.5 Selection Error. In the event of an erroneously-selected Champion pick or ban, the team in error must notify an IWCQ official before the other team has locked in their next selection. If so, the process will be restarted and brought back to the point at which the error occurred so that the team in error may correct its mistake. If the next selection is locked before the team in error gives notice to an IWCQ official, the erroneous selection shall be deemed irrevocable.

6.7.6 Trading Champions. Teams must complete all champion trades before the 20-second mark during the Trading Phase, or will be subject to a penalty in future games.

6.7.7 Game Start After Pick/Ban. A game will start immediately after the pick/ban process is complete, unless otherwise stated by an IWCQ official. At this point, IWCQ officials will remove any printed materials from the Match Area, including any notes written by Team Members. Players are not allowed to quit a game during the time between the completion of picks/bans and game launch, also known as “Free Time.”

6.7.8 Controlled Game Start. In the event of an error in game start or a decision by IWCQ officials to separate the pick/ban process from game start, an IWCQ official may start the game in a controlled manner using Blind Pick. All players will select Champions in accordance with the previous valid completed pick/ban process.

6.7.9 Slow Client Load. If a Bugsplat, disconnect, or any other failure occurs which interrupts the loading process and prevents a player from joining a game upon game start, the game must be immediately paused until all ten players are connected to the game.

7. Game Rules

7.1 Definition of Terms

- 7.1.1 Unintentional Disconnection.** A player losing connection to the game due to problems or issues with the game client, platform, network, or PC.
- 7.1.2 Intentional Disconnection.** A player losing connection to the game due to player's actions (*i.e.* quitting the game). Any actions of a player which lead to a disconnection shall be deemed intentional, regardless of the actual intent of the player.
- 7.1.3 Server Crash.** All players losing connection to a game due to an issue with a game server, Tournament Realm platform, or venue internet instability.

7.2 Game of Record

A game of record (“**GOR**”) refers to a game where all ten players have loaded and which has progressed to a point of meaningful interaction between opposing teams. Once a game attains GOR status, the period ends in which incidental restarts may be permitted and a game will be considered as “official” from that point onward. After the establishment of GOR, game restarts will be allowed only under limited conditions (see Section 8.4). Examples of conditions which establish GOR:

- 7.2.1** Any attack or ability is landed on minions, jungle creeps, structures, or enemy Champions.
- 7.2.2** Line-of-sight is established between players on opposing teams.
- 7.2.3** Setting foot, establishing vision or targeting skillshot ability in opponent's jungle by either team, which includes either leaving the river or entering brush connected to enemy jungle.
- 7.2.4** Game timer reaches two minutes (00:02:00).

7.3 Stoppage of Play

If a player intentionally disconnects without notifying an IWCQ official or pausing, an IWCQ official is not required to enforce a stoppage. During any pause or stoppage, players may not leave the match area unless authorized by an IWCQ official.

7.3.1 Directed Pause. IWCQ officials may order the pause of a match or execute a pause command on any player station at the sole discretion of the IWCQ officials, at any time.

7.3.2 Player Pause. Players may only pause a match immediately following any of the events described below, but must signal an IWCQ official immediately after the pause and identify the reason. Acceptable reasons include:

7.3.2.1 An Unintentional Disconnection

7.3.2.2 A hardware or software malfunction (e.g. monitor power or peripheral disability or game glitch)

7.3.2.3 Physical interference with a player (e.g., fan gank or broken chair)

Player illness, injury, or disability is not an acceptable reason for a player pause. In such a situation, the team must alert an IWCQ official, who may in his/her sole discretion, grant a pause in order to evaluate the identified player to determine whether player is ready, willing, and able to continue playing within a reasonable period of time, as determined by the IWCQ official, but not to exceed a few minutes. If the IWCQ official determines that the identified player is not able to continue playing within such reasonable period of time, then the identified player's team shall forfeit the game unless an IWCQ official, in his/her discretion, determines that the game is subject to an Awarded Game Victory (see Section 8.5).

7.3.3 Resuming the Game. Players are not permitted to restart the game after a pause. After clearance from an IWCQ official is issued and all players are notified and ready at their stations, which will be contingent on the team captain confirming through in-game chat that both teams are ready to resume play, the in-client spectators will un-pause the game.

7.3.4 Unauthorized Pause. If a player pauses or unpauses a game for an unauthorized reason, which will be communicated to players before the event, it will be considered unfair play and penalties will be applied at the discretion of IWCQ officials.

7.3.5 Player Communication During Stoppage of Play. For the fairness of all competing teams, players are not allowed to communicate, in any fashion, with each other during a game pause. For the avoidance of doubt, players may communicate to the referee, but only when directed in order to identify and remedy the cause for the stoppage. If a pause extends long enough, referees may, at their sole discretion, allow teams to talk before the game is unpaused, in order to discuss the game conditions.

7.4 Game Restart

The decision of which condition(s) shall justify a game restart is solely at the discretion of IWCQ officials. Examples are listed below for purposes of illustration only:

7.4.1 Restarts Before GOR. The following are examples of situations in which a game may be restarted if GOR has not been established.

7.4.1.1 If a player notices that player's rune, mastery, or GUI settings have not applied correctly between the game lobby and match, player can pause the game to adjust these settings. If the settings cannot be correctly adjusted, then the game may be restarted.

7.4.1.2 If an IWCQ official determines that technical difficulties will not allow for the game to resume as normal (including a team's ability to be in proper position for certain game events, such as minion spawn).

7.4.2 Restarts After GOR. The following are examples of situations in which a game be restarted after GOR has been established.

7.4.2.1 If a game experiences a critical bug at any point during the match which significantly alters game stats or gameplay mechanics.

7.4.2.2 If an IWCQ official determines that there are environmental conditions which are unfair (e.g. excessive noise, hostile weather, unacceptable safety risks).

7.4.3 Restart Protocol. If a game experiences a critical bug at any point during the match that significantly alters game stats or gameplay mechanics, or the external environmental conditions become untenable then a restart may occur.

Certain circumstances must be met before a restart may occur. IWCQ officials must determine that the bug is critical and verifiable. For the bug to be considered critical, the bug must significantly damage a player's ability to compete in the game situation. The determination of whether the bug has damaged a player's ability to compete is up to the sole discretion of the IWCQ officials. In order for a bug to be considered verifiable, the bug must be conclusively present and not attributable to player error. The spectator must then be able to replay the instance in question and verify the bug.

If a player believes s/he has experienced a critical bug, s/he must pause the game and alert a referee in a timely fashion. If it is believed that a player is attempting to delay reporting of a bug to wait for a possible

restart at a more advantageous time, then a restart will no longer be granted.

If IWCQ officials determine that the bug is critical and verifiable and that the player followed the pause protocol, then the disadvantaged team will be presented with the option for a restart. If the team accepts, the game will immediately be restarted as per the rules established in Section 8.4. An exception to Rule 8.4 is if the restart occurred due to a champion bug, then settings no longer will be retained (including picks and bans) regardless of Game of Record status and the champion may be made ineligible for at least the remainder of the day's matches unless the bug can be conclusively tied to a specific game element that can be fully removed (i.e. a skin that can be disabled).

If a team is offered a restart and declines, then the team will be ineligible to request a restart on the bug that caused the potential restart for the remainder of the match. However, IWCQ officials reserve the right at all times to force a game restart if the game environment reaches a level of instability that compromises the competitive integrity of the game.

7.4.4 Controlled Environment. Certain conditions may be preserved in the event of a restart of a game that has not reached GOR, including, without limitation, picks/bans or Summoner spells. If, however, a match has reached GOR then IWCQ officials shall not retain any settings.

7.4.5 Player Confirmation of Settings. Each team captain shall verify that every player on his/her team has finalized their intended game settings (including runes, masteries, controls, and GUI settings) before GOR is established. Any error in verification is not grounds for a game restart after GOR is established.

7.5 Awarded Game Victory

In the event of a technical difficulty which leads IWCQ officials to declare a restart, the IWCQ may instead award a game victory to a team. If a game has been played for more than 20 minutes on the game clock (00:20:00), IWCQ officials, in their sole discretion, may determine that a team cannot avoid defeat to a degree of reasonable certainty. The following criteria may be used in the determination of reasonable certainty.

- 7.5.1 Gold Differential.** The difference in gold between the teams is more than 33%.
- 7.5.2 Remaining Turret Differential.** The difference in the number of remaining turrets between the teams is more than seven (7).
- 7.5.3 Remaining Inhibitor Differential.** The difference in the number of standing inhibitors between the teams is more than two (2).

7.6 Post-Game Process

- 7.6.1 Results.** IWCQ officials will confirm and record game result.
- 7.6.2 Tech Notes.** Players will identify any tech issues with IWCQ officials.
- 7.6.3 Break Time.** IWCQ officials will inform players of the remaining amount of time before the next game's pick/ban phase begins. The standard time for transition in between games is 12 minutes from nexus explosion until players are required in their seats. The exact time will be told to the coach and/or players by the referees. Pick/ban phase will commence as soon as all players are in their seats. If all the players are not in their seats, ready for champion select at the time designated to them by the referees, the team can be penalized for delay of game.
- 7.6.4 Results of Forfeiture.** Matches won by forfeit will be reported by the minimum score it would take for one team to win the match (e.g. 1-0 for best-of-1 matches, 2-0 for best-of-three matches, 3-0 for best-of-five matches). No other statistics will be recorded for forfeited matches.

7.7 Post-Match Process

7.7.1 Results. IWCQ officials will confirm and record the match result.

7.7.2 Next Match. Players will be informed of their current standing in the competition, including their next scheduled match.

7.7.3 Post-Match Obligations. Players will be informed of any post-match obligations, including, but not limited to, media appearances, interviews, or further discussion of any match matters.

8.1.1.2 Competitive Integrity. Teams are expected to play at their best at all times within any IWCQ game, and to avoid any behavior inconsistent with the principles of good sportsmanship, honesty, or fair play. For the purpose of clarification, team composition and the pick/ban phase will not be considered when determining whether this rule has been violated.

8.1.1.3 Hacking. Hacking is defined as any modification of the League of Legends game client by any player, team or person acting on behalf of a player or a team.

8.1.1.4 Exploiting. Exploiting is defined as intentionally using any in-game bug to seek an advantage. Exploiting includes, but is not limited to, acts such as: glitches in buying items, glitches in neutral minion interactions, glitches in Champion ability performance, or any other game function that, in the sole determination of IWCQ officials, is not functioning as intended.

- 8.1.4 Abusive Behavior.** Abuse of IWCQ officials, opposing Team Members, or audience members will not be tolerated. Repeated etiquette violations, including but not limited to touching another player's computer, body or property will result in penalties. Team Members and their guests (if any) must treat all individuals attending a match with respect.
- 8.1.5 Studio Interference.** No Team Member may touch or otherwise interfere with lights, cameras or other studio equipment. Team Members may not stand on chairs, tables or other studio equipment. Team Members must follow all instructions of IWCQ studio personnel.
- 8.1.6 Unauthorized Communications.** All mobile phones, tablets and other voice-enabled and/or "ringing" electronic devices must be fully powered off during play. Players may not text/email while in the match area. During the game, communication by a Starter shall be limited to the five players on Starter's team.

8.1.7 Apparel. Team Members may wear apparel with multiple logos, patches or promotional language. IWCQ reserves the right at all times to impose a ban on objectionable or offensive apparel:

8.1.13.8 The IWCQ reserves the right to refuse entry or continued participation in the match to any Team Member who does not comply with the aforementioned apparel rules.

8.1.14 Identity. A player may not cover his or her face or attempt to conceal his or her identity from IWCQ officials. IWCQ officials must be able to distinguish the identity of each player at all times and may instruct players to remove any material that inhibits the identification of players or is a distraction to other players or IWCQ officials. For this reason, as well as those listed in Section 4.7, hats are not allowed.

8.2 Unprofessional Behavior

An official coach or player may not solicit a team to violate this rule. An official coach or player may express publicly their desire to leave the team and encourage any and all interested parties to contact their management. But, to be clear, the official coach or player may not entice a team directly to reach out to their management or attempt to violate their contractual obligations. Violations of this rule shall be subject to penalties, at the discretion of IWCQ officials.

8.5.7 Suspension(s)

8.5.8 Disqualification(s)

Repeated infractions are subject to escalating penalties, up to, and including, disqualification from future participation in IWCQ. It should be noted that penalties may not always be imposed in a successive manner. The IWCQ, in its sole discretion, for example, can disqualify a player for a first offense if the action

of said player is deemed egregious enough to be worthy of disqualification by IWCQ officials.

Penalties that state a listed amount of time for discipline will only apply to competition months. Competition months are defined as the months in which League of Legend professional competition are taking place (i.e. January through October).

9. Spirit of the Rules

9.1 Finality of Decisions

All decisions regarding the interpretation of these rules, player eligibility, scheduling and staging of the IWCQ, and penalties for misconduct, lie solely with the IWCQ, the decisions of which are final. IWCQ decisions with respect to these Rules cannot be appealed and shall not give rise to any claim for monetary damages or any other legal or equitable remedy.

9.2 Rule Changes

These Rules may be amended, modified or supplemented by the IWCQ, from time to time, in order to ensure fair play and the integrity of the IWCQ.

9.3 Best Interests of the IWCQ

IWCQ officials at all times may act with the necessary authority to preserve the best interests of the IWCQ. This power is not constrained by the lack of any specific language in this document. IWCQ officials may use any form of punitive actions at their disposal against any entity whose conduct is not within the confines of the best interests of the IWCQ.
